Operators Unlimited Welcomes Brad Jones as Director of Operations
Seasoned Operations Manager Joins the OU team

Duncan, SC. (April 5, 2023)- [Operators Unlimited, Inc.](#) is pleased to announce the recent hire of Brad Jones as Director of Operations. Brad has more than ten years of experience in operational management coupled with extensive knowledge in strategic planning, system building and leadership that supports Operators Unlimited's growth strategy and customer-centric focus.

Brad has an impressive background in leading and managing operations of fast-growing companies. He has worked among the C12 business network and has spent a significant portion of his career working overseas in Morocco where he founded, grew, managed and sold two social impact businesses. Skilled in team leadership, Brad specializes in overseeing all business operations, managerial accounting, training, employee recruiting, restructuring staff and implementing systems to increase revenue. The Operators Unlimited (OU) team will benefit from Brad's expertise in strategic planning and team development.

"I was initially drawn to Operators Unlimited desire to be thoughtful and transformative. OU truly wants to do good for both customers and employees while building strong relationships. My goal as Director of Operations is to support the company's continuous growth and collaborate with the OU team to develop strategies to accomplish future goals," Brad said.

Operators Unlimited is on an aggressive company growth trajectory. As Director of Operations for OU, Brad will develop systems to further ensure efficient management of operators, increase the number of OU operators and streamline overall communication. Not only is Brad passionate about job creation, but he is an advocate of investing in the development of employees to achieve their long-term goals.

"Operators Unlimited is thrilled to have Brad join our team as Director of Operations. Brad is an extremely motivated and determined individual and fills a key role within the OU leadership team. His background in operational management will greatly aid in OU growth, serving our current and new customers and ensuring the continuation of quality services," says Ben Fields, President at Operators Unlimited.
