# OPERATIONAL SUPPORT AND STAFFING

## MANAGED CARE PROGRAM

Total outsourced option for Plant Managers. One invoice for full-time operators, sampling and reporting, chemical supplier and implementation of chemistry, engineering services and management of equipment upgrades.

## FULL-TIME OPERATORS

We supply licensed operators, who are supported by our team of technical experts and on-staff engineers.

## RELIEF OPERATORS

We provide operators when you need them most. Vacation, sickness, employee turnover, additional shifts, etc.

## OPERATOR OF RECORD

Operators Unlimited operators serve as the daily, weekly and monthly sign offs. We provide operators with appropriate license and level of experience needed to maintain compliance.

- LOCAL WAREHOUSE WITH FULL LINE OF CHEMICALS
- BULK, DRUM, TOTE AND PAIL OPTIONS
- DELIVERY TO YOUR PLANT

# WATER AND WASTEWATER CHEMICALS, OPTIMIZATION AND TECHNICAL RESOURCES

## CHEMISTRY SOLUTIONS

- Ph Adjustment and Alkalinity Control
- Sludge Dewatering and Optimization
- Odor Control
- Defoamers
- Coagulants (inorganic, organic and specialty blends)
- Flocculants Cationic, Anionic and Non-ionic (dry and emulsion)
- COD, FOG, TSS Solutions
- Phosphorus Removal
- Commodities
- Custom and Specialty Blend Development

## SERVICES

- Cooling Tower and Boiler Water Treatment Programs
- Technical Experts
- Chemical Feed System Setup
- Emergency Response

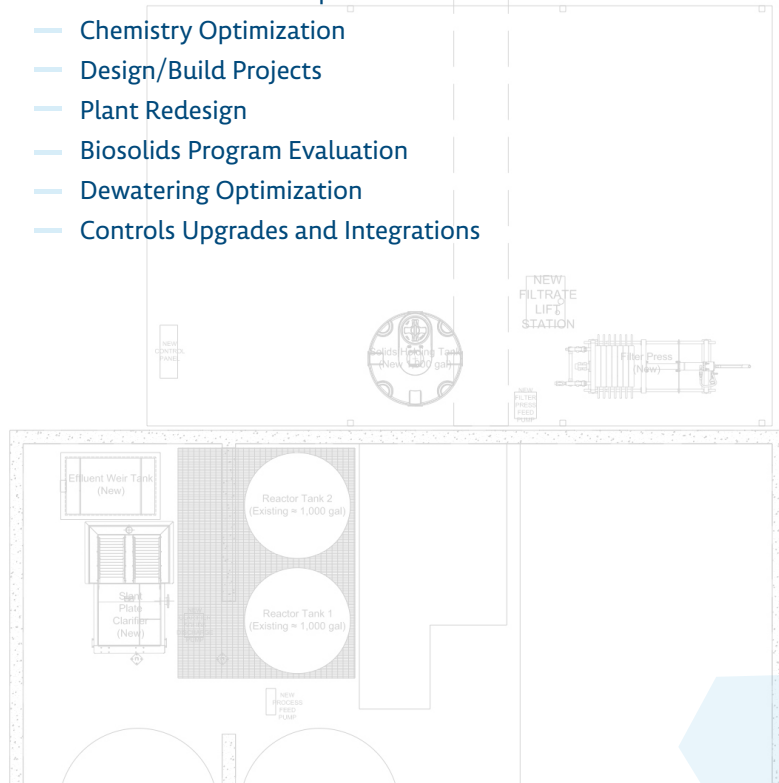

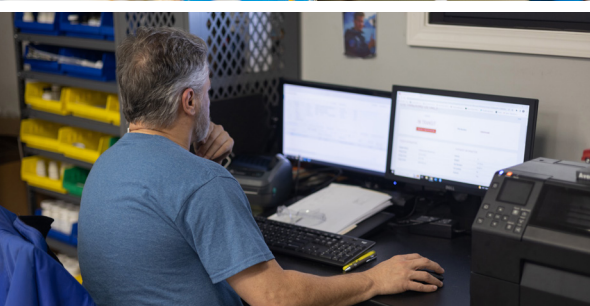

# ENGINEERING SERVICES

## OUR EXPERIENCED ENGINEERING TEAM SPECIALIZE IN THE FOLLOWING SERVICES

- Industrial and Municipal Wastewater Processes
- Chemistry Optimization
- Design/Build Projects
- Plant Redesign
- Biosolids Program Evaluation
- Dewatering Optimization
- Controls Upgrades and Integrations

# WASTEWATER COMPLIANCE SOLUTIONS

## COMPLETING SMR/DMR/DFR

- Generates reports and submits for the appropriate customer signature
- Coordinate and schedule sampling as required by the facility's permit(s)
- Creating action plans to mitigate future violations

## PERMITTING SERVICES

- Assisting with permit acquisition and permit renewal
- Ensuring reporting compliance is met
- Communication between customers and POTW

## MITIGATING NONCOMPLIANCE ISSUES

- Create Compliance Action Plans (CAPs) and manage existing enforcement actions
- Consistent communication between customer and POTW
- Coordinating activities to maintain compliance with existing compliance orders

# WATER AND WASTEWATER EQUIPMENT

Operators Unlimited understands the harsh conditions and daily wear and tear of equipment. We work closely with our customers, both industrial and municipal, to provide essential equipment and systems needed for predictable and compliant water and wastewater operations.

## TREATMENT EQUIPMENT

- Chemical Dosing Equipment
- Clarifiers
- Controls and Instrumentation
- Dissolved Air Flotation
- Dewatering Equipment
- Filtration
- Mixing Equipment
- Pumps
- Reverse Osmosis
- Tanks
- Ultraviolet Systems
- Water Softeners

# EDUCATION AND TRAINING

## CONTINUING EDUCATION EVENTS

Operators Unlimited currently offers continuing education classes and certificates for operators licensed in the state of South Carolina. These classes are offered annually and open to anyone seeking continuing education credits.

## ON-SITE TRAINING

Operators Unlimited offers on-site instruction. This training has been developed to not only review wastewater fundamentals but also help develop the skill sets of less experienced operators. From solids removal and determining optimal chemical dosing to chemistry needs and safety, training can be customized to meet customer, employee and facility needs.

# OUR MISSION IS TRANSFORMATION

Its meaning to us spans from the literal (transforming water by removing contaminants) to the figurative (in transforming our industry and creating transformative outcomes for our customers). But at the end of the day, it all boils down to making a lasting impact on our **COMPANY**, our **COMMUNITY** and our **ENVIRONMENT**.

## CORE VALUES

### ACT WITH AGILITY

**Agility** is our superpower: we fearlessly embrace challenges, and strive for efficiency without ever sacrificing quality. We push ourselves to exceed the expectations of our customers and to think quickly on our feet. Flexibility is the key to our shared success.

### PURSUE GROWTH

**Growth** is more than a goal - it's a mindset. Whether we are striving to grow professionally or to cultivate our relationships, education and interests, we know that continual learning and improvement is key to a fulfilled life.

## OWN YOUR RESPONSIBILITY

**Integrity** benefits everyone. Make a mistake? Take ownership and work towards a solution. Foresee a problem? Lean on the team. We trust our people to do the right thing, and value accountability. Above all else, we say what we mean, and do what we say.

## LIVE WITH THANKFULNESS

**Gratitude** is the fuel that keeps us going each day. Our team thrives when we approach our work with humility and a mindset to serve others before ourselves. After all, we are here because others put us first. And for that, we are thankful.
